Tri-City Selected as Aetna Choose and Save Hospital

Oceanside – Tri-City Medical Center is proud to have been selected as a "Choose and Save" hospital by Aetna. This designation means that Aetna patients will receive the highest benefit or maximum savings when receiving care at Tri-City Medical Center.

Aetna developed the Choose and Save network in response to employers and employees who want options designed to better control overall medical costs. Aetna selected hospitals to be in the Choose and Save network based on clinical quality and efficient use of healthcare resources.

Tri-City Medical Center's designation as a 2012 Aetna Choose and Save hospital is another example of the hospital's efforts to provide the most advanced medical care and state-of-the-art technology delivered in the most cost-effective manner.
